

# TRIANGLE J COUNCIL OF GOVERNMENTS

*A Future Together*

March 20, 2018

Dear Regional Partner,

As a regional member organization, we want what is best for our local governments. Access to the best services, tools and partners make it easier for municipalities and counties to provide for and improve quality of life for the 1.84 million residents living in the region (a number growing by the day!).

Your company makes local government work better. For that reason, we want you to be an event partner for the second annual Triangle J Council of Governments Regional Summit.

Sponsorship is an opportunity to highlight the unique qualities that your organization, product and staff provide to the public sector. Logo recognition, product demos and speaking opportunities are just several of the sponsorship benefits designed to help you best market yourself. Additional information about sponsorship is attached.

Event attendees will include local elected officials, government staff and critical partners from Moore, Lee, Chatham, Orange, Durham, Wake and Johnston counties interested in learning from peers and sharing best practices. Last year's guest list included 200 mayors, city/county managers, planning directors and more. I hope that we can add you to this list.

A member of our board or staff will contact you soon to follow up on this opportunity. In the meantime, if you have questions about our event or sponsorship, please contact me at [lworsley@tjcoq.org](mailto:lworsley@tjcoq.org) or Alana Keegan at [akeegan@tjcoq.org](mailto:akeegan@tjcoq.org), 919.558.2796.

Sincerely,  
Lee Worsley
