

Area Agency on Aging

Triangle J Council of Governments

Information on Services and Supports

Triangle J Area Agency on Aging strives to provide useful resource information to assist aging adults in living independently at home for as long as possible.

Nursing Home

Long-Term Care Ombudsman Program

helps to resolve problems in long-term care facilities, and advocates for residents' rights and good care practices.

Family Caregiver Support Program

connects family caregivers to learning opportunities, assistive services, support groups, counseling and other useful resources.

Area Agency on Aging

Triangle J Council of Governments

*Proudly serving Chatham, Durham,
Johnston, Lee, Moore, Orange, and Wake
counties and the municipalities within.*

Mandated by the 1973 Older Americans Act (OAA), Area Agencies on Aging are charged with helping vulnerable aging adults live with independence and dignity in their homes and communities.

Utilizing Federal, State and local funding, combined in the Home and Community Care Block Grant (HCCBG), Triangle J Area Agency on Aging plans and oversees the provision of supportive services in our seven county region, such as:

Adult Day Care

Adult Day Healthcare

Congregate Nutrition

Evidence-Based Health Promotion &
Disease Prevention Programs

Family Caregiver Support Program

Home-Delivered Meals

Housing & Home Improvements

In-Home Assistance

Information & Options Counseling

Transportation
