### **BASIC EXAMPLE Statement of Purpose (Pick this apart! Make it your own!)**

**“The Jordan Lake One Water Association (JLOWA) is a diverse group of stakeholders collaborating to achieve tangible economic, social, and environmental benefits of healthy water resources through planning and implementing watershed-wide management efforts.”**

### **Triangle J Mission Statement**

To serve as an intergovernmental organization for local elected officials that works proactively on regional issues in order to sustain and improve the quality of life for our citizens.
