- Budget Amendment
- Amend FY20 Holiday Schedule

Chair Salmon asked the Executive Committee if anyone wanted an item removed from the agenda; there were none. *Ms. Greene made a motion to approve the consent agenda. Ms. Dalrymple seconded; the motion was unanimously approved.*

Business

- **Regional Summit Update**

Chair Salmon asked Engagement Specialist Alana Keegan to provide an update on the 2019 Regional Summit. Ms. Keegan provided background on the event, now in its third year, and explained that the upcoming event would be a different format than usual with a morning-long workshop led by international speaker and facilitator Michael Goodman. She explained that TJCOG staff identified four big questions to use for the workshop and asked for the Executive Committee to approve or suggest other questions that would be more relevant. The four questions proposed by Ms. Keegan were the following:

- Why, despite the region's best efforts, do we struggle to move from planning to implementation of widescale transportation efforts?
- Why, despite it being a significant priority for the region, has preserving and improving affordable housing options been so difficult?
- Why, despite knowledge of increasing natural disasters and related damage, do communities struggle to build and rebuild with a resilience framework in mind?
- Why, despite significant economic growth, is economic mobility limited in the region?

Several Executive Committee members remarked that the questions were great and representative of huge challenges and opportunities for their communities. Ms. Keegan encouraged the Executive Committee to register for the Summit and ask their fellow board members to do the same.

- **Authorize Staff to Release an RFP on Behalf of NCNGN for Digital Orthophotography & Base Mapping**

Chair Salmon asked Regional Planning Director John Hodges-Copple to present the item. Mr. Hodges-Copple explained that TJCOG staff were asking for the Executive Committee to authorize Executive Director Lee Worsley to sign an agreement on behalf of NCNGN, a group that has been working largely around broadband issues in the Triangle. Additionally, Mr. Hodges-Copple requested that the Executive Committee authorize Mr. Worsley to change text within the RFP slightly, if needed. The RFP is intended to gather digital and aerial layers for multiple communities and educational institutions in the region. Ultimately, the group would need to fly in the winter during Leaf-off season. The data that exists in I-maps would be like the layers produced, however this would be a regional layer that could be done all at once under a joint purchasing agreement. Vendors who submit proposals would be asked to offer tiers for different municipalities within their proposal.

Chair Salmon asked how it will be communicated to external communities that are not currently members of NCNGN since it would ultimately need to be included in communities'

budgets. Mr. Hodges-Copple explained that the initial RFP would be an initial pilot to see if there was even interest in the concept from vendors. Don Rains asked how administrative costs for releasing the RFP would be factored into the partnership with NCNGN. Mr. Hodges-Copple explained the work was being conducted under TJCOG's Development and Infrastructure Partnership. In the case that TJCOG became the joint purchasing entity for the effort, TJCOG would factor in administrative time to partner costs. Ronnie Currin asked which municipalities were interested in the partnership. Mr. Hodges-Copple explained that there was no official buy-in from any municipalities since the request to vendors was one-of-a-kind and that proposals showing cost savings were critical to move forward.

Chair Salmon asked for a motion to authorize staff to release an RFP on behalf of NCNGN. Ms. Dalrymple made the motion. Ms. Baldwin seconded; the motion passed unanimously.

- **Conduct the Annual Performance Review of the Executive Director as Allowed by North Carolina General Statutes Section 143-318.11 (a)(6) (Page 27)**

Chair Salmon asked for Executive Committee enter into closed session as permitted by North Carolina Statutes Section 143-318.11 (a) (6) to consider the qualifications, competence, performance, character, fitness, conditions of appointment, or conditions of initial employment of an individual public officer or employee or prospective public officer or employee and to approve closed session minutes. Mr. Rains made the motion. Ms. Chaney seconded; the motion passed unanimously.

The Executive Committee entered closed session at 6:33 pm.

Amy Dalrymple made a motion to move to open session. Ms. Baldwin seconded the motion; the motion passed unanimously. The board reconvened in open session at 7:59 pm.

- **Report from Closed Session**

Mr. Rains made a motion to provide a 3% salary increase to the Executive Director. Ms. Chaney seconded the motion; the motion carried unanimously.

Closing Business

With no other business to which to attend, Ms. Baldwin made a motion to adjourn. Mr. Currin seconded the motion; the motion carried unanimously.

Chair Salmon adjourned the meeting at 8:01 pm.

Alana Keegan, Recording Officer

Rebecca Salmon, Chair
