# Water Resources Collaborative Meeting

## Meeting Focus: Green Infrastructure—Lessons Learned for NC

---

Thursday, March 5, 2020

2:00 pm – 4:00 pm

Triangle J Council of Governments  
4307 Emperor Blvd, Durham NC 27703

### Agenda

**1. Welcome & Introductions from the Co-Chairs**

*TJ Cawley, Morrisville and Lori Bush, Cary | Water Resources Collaborative*

**2. Lessons Learned from Funding Green Infrastructure Projects in NC**

*Heather Jennings, Program Manager*

Heather Jennings will speak about lessons learned from funding and managing a wide range of watershed improvement projects with the North Carolina Division of Water Resources and the Albemarle-Pamlico National Estuary Partnership.

**3. Case Study: Implementing a Regenerative Stormwater Conveyance at UNC**

*Sally Hoyt, Stormwater Engineer*

Sally Hoyt will discuss takeaways from implementing an innovative Regenerative Stormwater Conveyance and other green infrastructure projects on the UNC Chapel Hill campus.

**4. Green Infrastructure on School Property**

*Christy Perrin, Sustainable Waters and Communities Coordinator*

Christy Perrin will discuss what she has learned from implementing green infrastructure projects at schools.

**5. Questions & Open Discussion**

*What should anyone know who is considering implementing a small-scale green infrastructure project for the first time? What about a large-scale one?*

*Are there opportunities or challenges you have encountered particular to working in North Carolina?*

*What have you found to be the most effective methods of educating the public (or school, or university) about your green infrastructure projects and the role they can play in stormwater management more broadly?*

## **2020 Meeting Calendar**

Mark your calendars! The meeting schedule for 2020 has been set. All meetings will be held 2-4pm @ TJCOG.

**Thursday, March 12th** - Smart Growth Collaborative - Development Trends
