

# CORE Communities Work Group Meeting

---

## *Meeting Agenda*

Friday, February 12, 2021

12:00 noon – 1:30 p.m.

Microsoft Teams

**Host Community:** Town of Morrisville

**1. Welcome**

*Town of Morrisville*

**2. Introductions and Meeting Overview**

*Lindsay Whitson, Community and Economic Development Program Manager, TJCOG*

**3. Quality Affordable Housing: Data Overview, Intersection with Transit Investments, and Opportunities for the CORE**

*Erika Brown, Housing Program Manager, TJCOG*

Erika Brown, TJCOG Housing Program Manager, will provide an analysis of current data regarding housing within the CORE boundaries. She will discuss trends related to affordable housing and how such planning efforts directly correlate with current and potential transit investments within the CORE.

**4. Civic Conversation: Affordable Housing in the CORE Boundaries**

*TJCOG Staff*

TJCOG will facilitate a discussion centered around affordable housing within the CORE boundaries and beyond – asking CORE participants to think “how” our efforts in quality affordable and diverse housing practices might succeed.

- *What affordable housing efforts are you undertaking in your community and what would you like to see done in your community over the next 10 years? 20 years?*
- *How can our communities collaborate with one another to help “move the needle” in affordable housing practices?*
- *What practices could or should be implemented to help solve affordable housing issues in the CORE boundaries/region?*
- *What needs our immediate attention?*

- *Given proposed transit investment opportunities, what transit-oriented development strategies should we focus on? What is your community or other communities doing that has worked?*

## **5. Community & Organizational Updates**

*Meeting Participants*
