Highlight:

NEA American Rescue Plan Grants to Organizations, #1 and #2; **deadline 8/12/21**

Unlike other NEA grants that support projects, this grant is intended to help with day-to-day business expenses and operating costs including salary support, fees/stipends for artists, mortgage/rent/utilities and costs associated with health and safety supplies. There is no match requirement; applicants may request a fixed grant amount for \$50,000, \$100,000 or \$150,000.

Because NEA anticipates a large number of applications for this funding opportunity, applications will be submitted in two separate groups: one for organizations with legal names beginning with A-L (#1) versus one for organizations with legal names beginning with M-Z (#2). Both the A-L group and the M-Z group will have the same Part 1 Grants.gov deadline. Part 2 deadlines for the A-L group and the M-Z group will be different. This is explained in greater detail here: <https://www.arts.gov/grants/american-rescue-plan-grants-to-organizations/application-calendar>

This grant is for Arts and Cultural Organizations (nonprofits, state/local governments, tribal entities). There is a separate grant listed below for Local Arts Agencies that will subgrant funds, but that deadline is **July 22, 2021**.

Upcoming grant deadlines of interest to local governments are listed below. Click on information link or search on www.grants.gov by the notice of opportunity number.
